## **Dedication**

To my husband Satish, my children Himanshu and Jasmine and all my students who inspired this journey into the science of handwriting.

## Acknowledgement

First and foremost, I would like to express my heartfelt gratitude to **Narayan Ji** for his constant guidance and divine blessings that have illuminated my path and sustained my spirit.

I am deeply thankful to **my father and mother** for their endless love, encouragement, and the countless sacrifices that have shaped who I am today. Your belief in me has been my strength.

My sincere thanks go to **Himanshu, Jasmine, and my husband, Satish Chawla**—your support and presence have meant a great deal to me and have left a lasting impact on this journey.

I am also deeply grateful to all **my friends** for being a part of my life with your unwavering support, kind words, and uplifting presence—you have brought light to even the most difficult days. I extend heartfelt appreciation to all my **students**—each of you has contributed to this journey in a unique and meaningful way. Your curiosity, dedication, and growth continue to inspire me every day.

## Special Thanks

A very special mention goes to **Jasmine**—not just a daughter, but a true friend. She stood by me like a pillar of strength, constantly motivating me during my lowest moments. Whenever I felt lost or overwhelmed, she was there—with kindness, wisdom, and unwavering belief in me.

Her presence brought light in moments of doubt and her loyalty provided the emotional strength I needed to carry on. Jasmine's quiet resilience and heartfelt support made a real and lasting difference in this journey, and I am deeply, truly grateful for her.

## Understanding Kids Through Handwriting

*First Edition*  
**Dr. Inderjit Chawla**

Children often struggle to express their emotions, but their handwriting reveals more than words can.

Children Graphology: Understanding Kids Through Handwriting is a practical guide to reading a child's subconscious mind through their script.

This book helps parents, teachers, and counselors:

- Detect signs of stress, anxiety, or low self-esteem
- Understand personality and learning styles
- Spot early emotional or behavioral concerns
- Support growth through simple Graphotherapy techniques

A valuable tool for anyone who works with children, this book bridges the gap between behavior and emotion—one stroke at a time.

## About the Author
